## Egyptian Revival Dining Chairs – Manner of Thomas Hope

SOLD

Dimensions

Egyptian Revival Dining Chairs in the manner of Thomas Hope. These chairs are typically characterized by their design elements that draw inspiration from ancient Egyptian motifs and forms. The style often includes features such as ebonized wood, lacquered finishes, and the use of parcel gilt, which involves gilding certain areas of an object while leaving other parts untouched. Thomas Hope, a noted designer, was influential in popularizing the Egyptian Revival style in furniture during the 19th century. His designs were known for their elegance and incorporation of exotic and historical influences.

Circa 1810
